- ◆ Analytical Decision-Making

## SUMMARY:

I'm an Innovative and driven Software Engineering student pursuing a Bachelor's degree. Proficient in programming languages such as C, Client Side Programming, and Python. Skilled in hardware design, troubleshooting, and testing. Aim to gain hands-on experience in software development, data science, software testing, and systems engineering. I Prove an ability to work effectively in a team and independently, with a strong attention to detail. Seeking an internship opportunity to further enhance my technical prowess and contribute to cutting-edge technology solutions.

## PROFFESIONAL SKILLS

Agile	Data Structures	Testing
API Integration	AWS	Azure
CSS	Web Development	Basic UI/
UX	System Development	Github
Javascript	PowerPoint	Publisher
Python	SQL	Canva
Algorithms	Microsoft office	
Database security	Networking	
.NET	Operating system	
E-commerce	Wireless Technologies	
Cloud Computing	IoT
